

ISLAMIC MILITARY COUNTER TERRORISM COALITION HELD A PRESENTATION ENTITLED: (DIALOG STRATEGY IN COUNTERING VIOLENT EXTREMIST IDEOLOGY VIA THE INTERNET)

Riyadh – 31/05/2021

IMCTC conducted a presentation featuring dialog strategy in countering violent extremist ideology via the internet by Dr. Abdulmonem bin Sulaiman Al-Mushawah, Head of Al-Sakina Program to Promote Moderation and Counterterrorism, at the IMCTC Headquarters, Riyadh, 31 May of 2021. The presentation was attended by the IMCTC Secretary-General along with the delegates of IMCTC member countries delegates and IMCTC personnel.

The presentation included Cyberterrorism, different patterns, and forms that can be used for the intellectual confrontation of violent extremist groups. Equally important, the dialogue mechanisms for predicting those who are easily led by the terrorist currents and those willing to join them. Dr. Al-Mushawah also highlighted the efforts made by a large number of international organizations and centers that adopt basic and assistive instruments of dialogue aiming to educate people affected by extremist ideology to pull away from drifting into terrorism.
